

In-office Benefits Savings Plan

How it works

- This program is a discount plan, not a dental insurance plan.
- This plan cannot be used in conjunction with another dental insurance plan.
- After completion of an application, membership fees will be due. Payment may be made with cash, check or credit card. This plan may be renewed annually. Annual fees are good through one year from purchase date.
- The plan participant is responsible for utilizing the plan's services. Non-used services are non-refundable.
- After evaluation, if additional dental treatment is needed, written financial arrangements are required before scheduling an appointment.
- This plan only applies to services rendered at New Town Dental and does not include any treatment or services provided elsewhere by any other provider.
